Quite a number of Poscoe Tibbets' friends went to his home last Friday evening to give him a surprise party in honor of his twentieth birthday and were in turn surprised to find that he had suspected their design and had driven away. BARBERS AGAIN BEAT R. I. BOYS

But it Takes an Extra Inning Game to Do It; Turner Featured in Best Contest of the Season; Score 3 to 1

TYPOS TO PLAY RAILROADERS TODAY

Oilers and Barbers Will Mix Thursday; Rock Island Again Lose Chance for Second Place in Column

It took an extra inning to do it, but the Barbers came out with flying colors yesterday when they got ten hits off Riley for three runs and the Rock Island just barely slipped in one score.

The Machinists made only two errors. The Barbers can thank that big pitcher of theirs that Bobby's Weir's men did not pass them in the first seven innings. Turner just had more smoke than the Rock Island knew how to handle. He gave two of his hits in succession when Riley and F. Tyrrell each binged in the third, but they did it with two men down and Gullhur got Riley on a forced run to third when Eddie Hyrrell knocked a roller to right into his hands.

On the other hand, the Barbers hit Riley pretty freely. They never did start anything that even resembled the usual City League swat-fest, but they got ten singles, and six of them came two at a time. Two errors featured in the first run made by the Barbers, but the last two, the ones made in the extra innings, resulted from four hits when McKnight, Miller, Jennings and Turner each got singles with only one man, Munson, dividing the four.

It took an error to permit the Rock Island to score that run of theirs, too. Pollard got on first when McKnight fumbled a hot grounder from Pollard's stick, he heightened the offense by overthrowing first, which gave the runner second, then Pollard took third on a wild pitch. Caywood's two bager scored the red headed Rock Island pitcher, but Caywood died right on second when Turner made Weir hit to left field and Munson captured the fly, then let White put an easy grounder in reach of McKnight.

Pollard scored for the Rock Island in the fourth. It was in the third that Riley walked in the first run of the game. Woolery, first man to take the bat, lined one down between short and third, but he was retired when Armstrong let Little go to first in order to get Woolery on the force. Jacobs took first when Caywood hunted around the infield for a little grounder, then Gullhur let them both advance and took first when E. Tyrrell fumbled. Riley struck out McKnight but Miller took 1' em over like a big leaguer and took a walk with the bases full. Little was chalked up with the run, then Munson struck out to retire the side.

McKnight was the first man up in the extra inning. He lined one just over second base then Miller shot another between first and second that advanced Charley two bags and gave Miller a chance to steal second. Jennings scored the Barber second baseman with a drive through short, and Turner registered Miller with an "American league hit" to third base. With a lead of only two runs against them, the Machinists took the bat in the last of the eighth. Gullhur overthrew to first and let Riley on, then Woolery and McKnight worked a trick play on him and retired him at second. Frank Tyrrell got to first when Montgomery misjudged his fly. Ed Tyrrell made second man down with a little roller to second, then Turner finished it up by striking out Pollard for the second time in the same game. The Rock Island and Typos are scheduled for a game today, and the Barbers and Oilers for one Saturday.

The defeat of the Rock Island yesterday again takes them out of the "danger zone" for second place in the column. The tabulated score follows.

SHORT STORIES

OF THE TOWN

Sherman to Conduct Service.
It is announced that Rev. Geo. Sherman, a former pastor, will conduct the prayer service at the First Baptist church this evening. Mr. Sherman has been visiting relatives here several days, having been called to Chickasha by the death of his grandchild, the little daughter of Mr. and Mrs. I. W. Parker.

Congregational Social.
With the improvements in the basement of the church complete, the ladies of the Congregational church have prepared to serve ice cream and cake to a large crowd tomorrow evening. They are raising funds to pay for the improvements and they hope the public will liberally patronize them.

Lemons Save Doctor Bills.
The popularity of lemon seltzer "the morning after" among certain of the masculine folk is now having somewhat of a similar vogue among women. The medical properties of the humble lemon are just becoming widely known. The juice of half a lemon in a cupful of hot water taken immediately after arising in the morning, serves excellently as a liver corrective and is a valuable substitute for calomel and similar drugs. Several slices of lemon in a cupful of tea will often relieve a nervous headache. A teaspoonful of lemon juice in a cupful of black coffee is efficacious in relieving bilious headache.

Ripe Bananas.
Fruits undergo marked changes in chemical composition as they grow to their full size and ripen. In some fruits ripening increases the sugar content and decreases the acid, whereas in some others, both sugar and acid content decrease in the ripening process.

Constipation is the starting point for many serious diseases. To be healthy, keep the bowels active and regular. Herbine will remove all accumulations in the bowels and put the system in prime condition. Price 50c. Sold by Owl drug store.—Adv. d&w
